

Game Jam 28-80

Judging Rubric

Nova Scotia Community College
Truro Campus
April 9 – April 11, 2015

The following is the exact assessment that the judges will use to judge your game submission for the game jam. Please read over it carefully – it could mean the difference between winning and losing.

	Inadequate 0	Beginning 1	Developing 2	Exemplary 3	Score
Innovation	This game has been done and done again many times before.	This game has the beginnings of something awesome	A pretty cool idea – I'd buy it.	This is crazy original – my mind just exploded!	
Fun Factor	ZZZZZZ	Pretty fun to play	This is awesome fun. I'm hooked.	This is so much fun I think I just accidentally peed a little.	
Graphics	What graphics?	Pretty good graphics – they need a bit more work though.	Awesome graphics!	These graphics rock! In your face Call of Duty!	
Audio	Why so silent? :(The beginnings of good audio, but needs more work.	Great effective audio	They say that audio can make or break a game – your sound effects are the crowning jewel!	
Theme	Wait a minute, there was a theme?	The game sort of implements the theme? :S	The game implements the theme effectively.	This game implemented the theme in a totally wicked way that I would NEVER have for seen!	
Overall Game Play	It turned over and died while I tried to play it	Game contains typical elements of a game but implementation could use improvement	Game works well and has all elements of a typical game (win condition, levels, etc.)	The game play of this game rivals the greats!
